

**“Politicians
may not like
straight talk,
but I do.”**

When it comes to the future of your Medicare and Social Security, you've earned the facts. Now with AARP's online tools, fact kits, and community conversations across the country, it's easy to get the facts and get involved. While Washington talks behind closed doors, we're bringing the conversation to you, because you've earned a say.

Get the facts and join the conversation at [earnedasay.org](https://www.earnedasay.org).
